You ever heard these guys, Luveria? They're black metal I believe. For some reason I've liked the album my dad listened to a while ago (And recently started listening to). This song is like acoustic black metal.

I'm trying it now since this Gothic metal band Macbeth isn't good enough for me.

It's the first time I've come across acoustic black metal. Not bad. I like the dysphoric vibe.

repeats Yes, I do like it.

Not bad but I don't think it is something I could listen to often.

Trying to get some more post-rock bands out of the way and then maybe I'll actually get to some more metal.

If I listen to death and black genres too much I have to stop before my head implodes. ☐

But I'm loving this song right now.

I've realized I had a tendency to bash on Slipknot due to the fanbase.
