After a long period of order, e.g. "Hello. My name is Inigo Montoya. You killed my father. Prepare to die", it only takes one slight deviance from the original text, e.g. "Greetings, fellow human. My name is Indigo Montana, and you are my father's killer. Prepare to cry.", for the chain to fall into a state of anarchy. From here, someone eventually sees a reply that is funny which they would like to repeat, and thus, order is restored, for however brief a period, and the cycle then restarts.

Trossikada, Land of the Trossi

A fairly large tribal nation which hasn't been welcoming to outsiders, until recently. Tech level: Modern Tech.

NS stats aren't canon. Neither is my current flag (It's a Ukraine variation of the [canon one](#)).

Now... about that beer I owed you. It's me, Gordon, Barney, from Black Mesa! Hey, sorry for the scare. I had to put on a show for the cameras. I've been working undercover with Civil Protection. I can't take too long, or they'll get suspicious. I'm way behind on my beating quota.
