Not too well known given their age, but hopefully they'll become an NS staple in due time.

They are probably well known, according to their number of forum posts. I have seen them around a couple of times, too.

Very well known in F7, to the point of become an icon, however I would say less in other forums due to their non-F7 post count.

Extreme retcon currently in progress.

Well known, except they have no idea who's well-known on this thread.

I haven't actually seen them before, unless there was a flag change because your name does sound familiar. I will say slightly well known

Edit: wait never mind I know you, change that to well known

Well.....I've meet them on multiple occasions in a long stretch of time, and their name+flag makes them really recognizable. In short: very well-known.

I can *vaguely* recognise the name, but not the flag. Somewhat well known, who posts from time to time.

I suppose they are quite new, and this is the first time I've seen them, so personally.....not quite? That may change in the future for sure.
