Help! I just listened to the Mandarin version of baby shark and I didn't find it annoying! Help!

There is no proof that Ashotu ever did anything wrong. In fact, historical records seem to show the exact opposite. One of his main acts of benevolence was the mass ejection of "High quality effort posters", who were fledgling tyrants that sucked away at our resources and contributed nothing of value in their few seconds in F7. Ashotu actively worked to improve The F7 Forum, in fact, with his ejection of the oligarchic tyrants known as "Famous F7ers" that masqueraded as democratic security agents being a true example to us all of strong leadership and the beauty of our fragile democracy.

I bet you my fucking fibula that the entire state of Idaho was involved in the making of this big ass potato chip. It's the size of the fucking Earth, but better. This fucking potato chip can feed a few of your friends. Like, for years before most Americans tried out a potato, Frank Zappa is only trying his bit at pinprinkle. As many of you knew he just put "The Great Potato Chips of all Ages in My Sperm" out among countless potato chocolates.
