[The Last of Us Soundtrack-The Choice](#)

My brother just started playing it so I couldn't avoid the urge to listen to this song. Man just listening to the music brings back how much I love this freaking game.

My brothers description: "So within the first 15 minutes, The Last of Us freaks you out, punches you in the stomach, makes you sniffle, and makes you awe. This is seriously a beautiful game, I can't wait to play more."
