FitKing to roll out FitOS 45 for all virutal gym and personal fitness equipment.

\* virtual. But the spelling error, I suppose, can be fixed in FitOS 46.

Yay.

What is Project Phoenix exactly?

The Nazis have relocated to safe havens in Latin America via the Ratlines. Under a clandestine cell system, they set up and manage their own paramilitary forces, and these groups share a single goal: start scheisse and set up a Fourth Reich.

Plan for 2022: replace all national flags of my nation states with Polar Bear Running Away From Global Warming Screaming GIF.

Hello! Just so you know, since you are new to the forum and this is your first post, the purpose of this thread is to respond to the nation above you (the "AN" mentioned in the title). The above nation in your case was me. However, as I am a generous person, I will do you: my favourite thing in your signature is "Can't use any flag with the Nazi Swastika, and so the Running Polar Bear gif will substitute." for its transparency.
