So I just found a tribute song to the Opportunity Rover (which was declared lost after 14 years of roaming Mars)... and it's one of the most moving tunes I've found in a while.

lore lore (im wald im grunen walde)

The lore lore marsch is a german marching song from wwii, it is about
a beautifull girl that the singer is in "love at first sight" with, and
thinking if her, keeps him safe throughout the duration of the war.

I have a couple of Spotify playlists I favor. They play well on shuffle or when used to spawn stations.

[Turn Up the Dark](#) — Some artists include: VNV Nation, Rotersand, Funker Vogt, Skinny Puppy, and Icon of Coil. (I've put a little effort into this one, and it'll play well in sequence if you turn off the shuffle.)

[Rock It Old School](#) — Some artists include: Aerosmith, Eagles, Led Zeppelin, Styx, and Boston.
