Song's kind of corny...but the lyrics and his flow is on point. ☐

Queen - The Show Must Go On

From: Innuendo (1991)
Genre: Hard rock, art rock

From Wikipedia:

When Brian May presented the final demo to Mercury, he had doubts that Mercury would be physically capable of singing the song's highly demanding vocal line, due to the extent of his illness at the time. To May's surprise, when the time came to record the vocals, Mercury consumed a measure of vodka and said "I'll fucking do it, darling!" then proceeded to perform the vocal line in one take without problems.

Grown Men Don't Cry - Tim McGraw.

*All mornin' I'd been thinkin' my life's so hard,
And they wore everything they own, livin' in a car
I wanted to tell him it would be ok,
But I got just got in my Suburban and I drove away*

I don't know why they say grown men don't cry.

Days like dominoes, all in a line

Emerge transformed in a million years, from days like these
