3/10

The island of the Galapagos and the main power of South America controlling the West of South America. Militaristic and authoritarian with a troubled past and an uncertain future with stability at an all time low due to a lost war and unpopular occupiers.

Their flag is basically a portal to an ultra-violet dimension of demons, but then again, the demons don't look too nasty. 6/10

7/10. Looks evil enough, and I will point that it does look a little bit like some sort of an evil Medic Corp. Corp as in not corporation, but like the army use of Corp.

8/10. But this score is based not only on the flag, but the nation's name right next to it. The flag alone only gets 6/10.
