Linkin Park-The Catalyst

To see what way they're going with their music...

they're going techno-ish judging by catalyst. hopefully some of 1000 suns will be good

The song's actually not bad...but it's not Linkin Park. It's just not. I don't give a damn what the record company may say, Linkin Park will always be Hybrid Theory and Meteora to me.

Just listened to Drops of Jupiter-Train and If Its Love-Train.

Tis a good barn, English, but tis no pool.

Shinoda is awesome. Chester is a great singer, but I don't know about my personal opinion on him anymore.
