I generally find the summer Olympics more boring than the Winter Olympics, but I have decided that I do quite dig watching Women's Gymnastics. Men's Gymnastics seemed more boring if I recall. I got into Women's Gymnastics during the last summer olympics, but I don't have any way to watch the Olympics this year, sadly.

Kazoo Sonata in C Major, Andrew Jackson Jihad.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
