Britons shall never be slaves

Gotta love Rule Britannia.

Colonel Jurten leads Krieg, with his second in command now leading all of Krieg's forces on Earth. As such, Captain Hans Lanok is the representative for Krieg for scenarios on Earth, with Jurten being on other planets.

NS stats are not canon. We do not do grid wars or NS Stats, all wars must be fully RPed.

Lead by Colonel Jurten, who speaks for Krieg as a representative when required.

Straight to the point, I like it. Though, will you last longer than the previous Warhammer nations is yet to be seen.
