Peer Günt - Liquor And Drugs (Live)

Vocalist/guitarist starts the song by saying "Well, we're gonna play something slow" and then this song kicks in, it's one of their fastest songs.

Silversun Pickups-Well Thought Out Twinkles

This is probably one of their most heavy songs.

Hmm, I guess in a way this whole album is kinda heavy-ish. It has a definite different feel to their other albums. But it is probably my least favorite. Though going back even farther to their first songs, I dislike those even better. This is a band I actually think gets better and better every album they release so far. And their new single is pretty damn good, too.

Silversun Pickups-Little Lovers So Polite

This is one of my favorite songs on this album.

This one kinda fits in the "Dream pop" realm, I would say. They're classified as dream pop, indie rock, alternative rock, and shoegaze.

Peer Günt - Behind the Line

Not all that interesting song, pretty much pub-background-hard-rock.
