Ninja'd again.

Nothing, abortion is legal up to the 24th week. After that the culprits could choose between a corporal punishment or jail for up to 10 years.

Leftists abuse politics for their narcissistic need for moral superiority. Ironically, they usually achieve the opposite.

A dozen lashes for the theft, a stiff fine for causing a vehicle to fail to comply with environmental standards.

Incitement to riot.

The total Deactivation and Freezing of a Perpetrator's Life Warranty and Bank Account, in addition to their demotion of their corporate position and later exile to work at an unknown location or worse be allocated to the human subject department of the military. Or the best option is to being banned from ratifying a Life Warranty document and demoted to junior personnel within their corporation.

Well you didn't actually put a new crime so... if you were to cut off someone's hand that would count as either assault, or a negligence caused injury, or something like that. Thus the punishment will be a hefty fine, house arrest, and maybe a corporal beating.

Looting during a riot?

Too vague. 6 months to lifetime sentence depending on how large it is. Typically 5 years in prison.
