Fairport Convention - *Matty Groves*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

eh not much these days, when i do i hope for something no words, and if there is something you know boom boom electricity, then i don't like that now, i gotta be slower, so maybe folk music from folk country is nice, some things sometimes you know, not a lot, and then in radio you take what you get. pretty tired of talk radio, not much music on radio you now, so. it is what it is.
