Interpol - Obstacle 2

Picked up this song way before I even started listening to full albums, so I heard it again about 10 years later, pleasant surprise.

Edit: Oh memory...I was 7 posts away from 20,000 earlier and I was like "Yeah! Time to pointlessly announce I hit 20,000!".

Now I'm 16 over and just realized...

20,016!

Psycho City Blocks
Psycho Realm

*Will spirits dancing in the flesh accept
When somebody changes the music and the tune is death
We don't dance around bonfires
We get stoned, tripped or wired
In memory of those expired
My people's exodus results in prejudice
You ask us why, in poverty, we become terrorists
Now let me tell you this: we don't choose to tote gats
And sellin' on the corner is to avoid tax
If you gun talk or hip-hop there's too much division
So find a new mission or it'll stop
We do our thing, talk slang, live on fast lanes
Some do it for money, and others for the fame
You're out playin' games, dangerous with high aim
How long will you maintain before you get slain?*
