They seem to be a fairly new account, but with a lot of posts, so I'd say they are not very well known, but they are getting there.

I see this person a lot in the 'AN/BN' threads in F7. They're always a welcome sight, they're friendly and usually give great responses. So probably decently well-known to most, definitely familiar to me as of recent.

They are becoming more well known in F7, but still likely are barely known if much at all in NandIR
