QUOTE

Nice beaver...

ducks

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.

Och.... ch no.

/skipme. Funny story, that isn't actually intentional, I found them as a pair, then cropped half off, so all the wings are the same wing. Then I looked latter to try and find a Hawk/Eagle/Other bird of prey for my coat of arms, and well. I found certain symbol whos wings looked just a BIT too similar to the ones I found.

The PNG site, I found it off google images.
