What happens when you cross anime powers and overpowered leaders with furries, all written by a bored Homestuck fan with too much time? Well, you get Rumei. A multiethnic, FT republic with both might and magic that let it conquer the entire Orion Arm.

An audio record simply plays Jones' pre-recorded audio plays condemning the PM and the AN

Audio Record Sermon No. 2

"Sister, you are the last person to preach about being handed over a silver platter. I mean, look at you, you're handed a good life - attending private school and sh't - by landing in a good family as an orphan. Probably too young to remember your parents, forgive their soul, giving you up. Other orphans like you are probably shining some Indian degenerate's shoe."

...

"And you've never faced real struggle sister where the hardest of choices are on the table. This plague you're facing was just uncereemoniously dealt with in a few days. And this China (our good friends) situation wouldn't have happened if you antagonized them. But here in Jonestown; we work the lands, respect our neighbors, and don't give another man of faith a hard time."

~ [Reverend Jim Jones, Prime Minister of Guyana and Leader of the Peoples Temple](#)

Audio Record Sermon No. 3

"Oh children of the Lord, look upon this vile beast who is masquerading as a wolf! Beware of Satan and his tricks. Don't wait for a false messiah to give you rights and your freedom! Take it from them! Rebel! Strike against them! What do you mean she hasn't done anything in 3 months? Well you better do something because the Lord is planning something for em!"

*Note: Jones has died a long time ago and this is set in 1979 when information of Jones' handiwork had become public. So don't treat him as if he's still living and take the dossier with a grain of salt.

I can not condone communism as it is the evil this world faced during 1944-1950, after that it was the fascists! Both killed countless innocents in their quest to spread their own ideologies. and to use the LORD as a cudgel for these politics on-top of that is even more appalling! However, beyond this I can not say more about this character, their name shall not stain my lips." - James V of Antioch
