Unlikely. Ashakad's more concerned about keeping the feudal order than technology and social progress.

Perhaps

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

Would I live in the AN?: Perhaps, as it seems to be nice enough, despite all the nukes in the past. That said, I would probably feel like a shorty in there with my 2 m. Also, the fact, that it is actually kind of an autocracy would raise a few concerns for me.

I'd rather not.
