As a Russian I can safely assure you that he didn't, he is a [REDACTED] who has fucked up nearly everything in this now shithole of a country.

Hmm

How testicles come to be. Instead of natural growth, they first come to be as one ball, and eventually have a city-flattening explosion that leads to two halls dropping, the length suffice to reach the very northern tip of North America, to Europe's southernmost point. Majestic.
