Otto-Man has been Otto-Man since Man Kind.

**Tuszuvudszkha Deers** roaming around and eating what they could find in other homes, besides, we the Furballlandian People, are actively working to create a **Liberal Socialist Utopia**, and improving lives for working-class citizens, which we kept our promise, and we wanted a stable, and stronger democratic government.

why you should join the monkeys

1. you get to touch grass I know you get to beat: try to touch grass 99% challenge impossible

the

2. your iq increases rapidly why? easy is because humans are social animals and

1 person's iq is a lot smaller then 10 peoples iq combined

3.is monkeys are cool

final but not last bananas are yummy

New man...

Baby man wakes up in the middle of the night. Then Ashotu user ( who has some how left man body) drops a box into baby man crib

When baby man touches box, it turns pink and starts singing a lullaby.

Baby man tries to touch Ashotu user, but his blurry black figure fades away.

The Paradise Of Ashotu.

I'd say this nation is about 85-90% representative to my beliefs. About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up
