Very new, but also well known for a nation started a little over 2 weeks ago. Love the sig, and the lore sounds quite interesting.

Kinda known. I've seen em a couple times

Tired of having to say this: The Kingdom of Voidstania is not a kingdom. It is a communist dictatorship with a weak democratic senate under the guise of a monarchy. Normal country stuff.

Also, NS stats and policies are not canon (Because I have a tendency to click the wrong options and give myself dumb policies)

Despite the age, never seem em before. I'm gonna guess at least kinda well-known. They have more posts than me in non-F7 boards and are older than this current nation.

Pretty to very well known, seen them a not too many times but

Ex-Nation

judging by the total post count, they're well known.
BN, please also consider my total post count (which includes F7 posts) because I'm not too active on other forums.

Haven't seen them too much times personally, but has 450 posts in F7 and 1,023 overall, so I'd say pretty well known.

I've seen them pop up quite a bit in this forum, so I'd say at least in here they're pretty well known.

They're one of the newer accounts, but they're starting to get real well known around here on F7. Doesn't seem like they're quite known elsewhere, though.

I recognise their flag, but I'd imagine they're still not really that 'known' outside of that.
