Protectorate of Bohemia and Moravia

□ **Zweite Republik Deutschland** □

It is 1938, 20 years after the **Great War** and the German humiliation, and democracy has persisted in **Germany** in spite of attempts to subvert it from the secret societies of the far-right **Thule Society** and the reds of the **KPD**. However, **Berlin** becomes a battleground of poverty, debauchery, and political extremism as various paramilitary forces fight against each other in the streets. Yet the development of a secret arcane martial art known as the **Seelenfluss** and the weaponization of esoteric lethal fencing techniques may change the tip of German politics forever...
