A kigurumi cosplay of a random anime girl that I don't know

Before [Feyrisshire](#) was known as the Marxist-Leninist Communist nation of "catgirls", centuries and millenia before, it was "[Danschien Ryeifyinsshire](#)".

Set first in the Paleolithic and the Neolithic Era, it follows the history of Feyrisshire throughout (possibly?) the era of classical antiquity, in the Planet of Jawmund Danschien. Now finally [Kiu Ghesik](#) has another NS nation it can militarily beat!

Note: To know more about the far future of this PT nation "[Danschien Ryeifyinsshire](#)", see the MT main nation of [Feyrisshire](#).

Green Anarchism, their citizens are likely armed to the teeth and will protect ice caps, forests, and coral reefs with the same fanaticism the IJA has for the Emperor.
