Gnarls Barkley - Smiley Faces

No. 3 on my list of 10 best songs.

The 2nd Gnarls Barkley album I used to listen to all the time. Probably one of my favorite "Hip-hop" albums (Kinda varies more than that, and is certainly not your traditional idea of hip-hop)

The Smashing Pumpkins-I Am One

The Lonely Island - After Party

No matter how silly some of the lyrics are, it's a sad tale being sung.

After the club is the after party, after the party is the hotel lobby. I'm stuck in a cycle, I just can't win. And after that it all happens again.

I personally classify Gnarls Barkley as "Hip-Hop R&B"  
I don't know if that's the actual word for it.

Ziggy Marley - Love Is My Religion

*"All my days I've been searching, to find out what this life is worth  
through the books and bibles of time I've made up my mind  
I don't condemn, I don't convert, this is a calling have you heard  
bring all the lovers to the fold, cause no one is gonna lose their soul"*

Love this song.

I don't know the composer behind the song.  
But it's so beautiful, makes me feel so hard.
