R.A.M.B.O. - Ian Mackaye is my Savior, Not Jesus

Y'know, it just makes me wish my real Civic had a redline over 10k and AWD.

Actually, since there's a tuned S2000 (9700rpm), some Corolla AE86 with a 10k redline and a Cosworth Escort with an 11k redline some races really do just sound like a bunch of sportsbikes.

discoursedrome wrote:

everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there
