Just a little bit known

"Breton nationalism & body positivity propaganda" - Everett Levermann

NS stats non-canon, even though I try to have them match my idea of the country. Please refer to any factbooks that might appear. Factbooks WIP.

AU is still pretty new, so I'll say not exactly well-known, although I've seen them around before.

Pretty much known by pretty much all part of the NS Forum except for WA & GA (as far as I can know)

BN, if Hdisar doesn't light up the lamp, can **The Aituia** (my main*) light it?

I think I've seen AN around before, especially in F7, but since they are still relatively new, I guess they are not that well-known. On their way to that status, however.
