Well since nearly everyone writed their favourite song and said like "I am listening this right now".....Well i am not. At this moment i am listening Cooler fan and my dog licking its balls.

I listen to my favourite songs often, because they are my favourites. ☐
Such as this one. \m/

[Burzum - Dunkelheit](#)

Dunkelheit is nice one. I like [Reverend Bizarre's](#) cover just a tiny bit more though.

Unleashed - Born Deranged

Goin' through some new stuff. New for me, not generally new (album released in '97)

[Meshuggah- The Last Vigil.](#)

This song is really trippy. It's also repetitive, but it's calming, and I listen to it a lot. It's also fairly different from a lot of their other stuff (another one of my favorites by them is 'Dancers to a Discordant System').
