Pat Metheny - "[Last Train Home](#)"

I was sorting through a box of old games while playing this song, & it gave quite the nostalgic sense to it.

I was going to comment that I met someone who dealt with Metheny's **bonkers** guitar and I find out that it has some connection to a cult anime series...I just knew it as a soothing jazz piece from the 80s by a guy with crazy guitars.

"...I have been gravely disappointed with the white moderate. I have almost reached the regrettable conclusion that the Negro's great stumbling block in the stride toward freedom is not the White Citizen's Council-er or the Ku Klux Klanner, but the white moderate who is more devoted to "order" than to justice; who prefers a negative peace which is the absence of tension to a positive peace which is the presence of justice; who constantly says "I agree with you in the goal you seek, but I can't agree with your methods of direct action;" who paternalistically feels he can set the timetable for another man's freedom; who lives by the myth of time and who constantly advises the Negro to wait until a "more convenient season."
