Me too. ☐

Well, I've been there before, but I didn't really appreciate it...wasn't into reggae or Jamaica at the time. And it was only for like, an hour. And wow...that song sounds really good.

DMX – Ruff Ryders' Anthem

DMX – Stop Being Greedy

I am now the proud owner of this album on vinyl...15 Anniversary
GOLD vinyl edition. ☐

Plus it came with a free digital copy, which I can burn to a regular
CD.

I was on like a 5 day cruise, and the last stop was Jamaica. For some
reason we were only docked there for a few hours.

Yeah...DMX is an...acquired taste, one that not everybody will ever
like the taste of. ☐

I love it though; he can express so much emotion in his music
without being whiny or fake, and doesn't rap about "MONEY CLOTHES
CARS HOES" nonsense.

something cause they didn't stop at really good spots lol
I head DMX - Stop being greedy, and it was a little aggressive but
was a good song lol

The most I've ever been out of the US was being in Canada for a couple hours...Despite living like 2 hours from the boarder right now, I've never set foot into Canada since we've lived here...It also sucked when the Olympic's were RIGHT across the boarder in Vancouver. I sooo wanted to go. Well, until I saw the ticket prices, anyway.

I went to Canada for a few days when my family went to Niagara Falls, though I think we spent most of our time there on the US side of the Falls. I think in total, I've been outside of the country for about a week..

Hopefully that'll change in the future.
