Doesn't seem all that bad, so I don't see why not.

Please don't use NationStates stats to evaluate my nation! They're a bunch of malarkey anyway.

Laissez faire, laissez passer, laissez aller

This nation is mostly based on my RL opinions. And no, Pooshland is not a nation
runned by a corporation.

More likely no than yes.

Saarkon is Central-European-like social democratic federation, formed from small Slavic republics.

Equality! Liberty! Democracy!
Ravniče! Svobode! Demokratja!
Равниче! Свободе! Демократја!

I generally use NSStats. Except population. It's always 286 million. Saarkon is MT. Sorry for spelling mistakes, English is not my 1st language.

Currently this nation is under construction because I abandoned it for a year. Hopefully I will return to RPing soon.

with the tax rate it would be far from my first choice, but if i got enough support from the government id probably live there much less begrudgingly than most nations where id need the government to keep me up.
