Mexico?

There is no divine feminine.

My nations policies are not economic, but a deliberate attempt to kill of the spirits and the sacred forests of the Pagan rebels.

My nation does NOT represent my RL views.

(also dude no offense but people are going to always guess the USA and other developed countries because, like it or not, that's where probably the vast majority of players on this site actually *are* from. [im pretty sure some, now a few years old, data even said that like 90% of site traffic is from the states])
