1/10; seems like a nation of humane scientists who probably ask each atom for consent before using them in their experiments.

My travels take me many places, from the scorching sands to the cold, dark vacuum of space. But I always return to my friends and family at The Pub.

7/10; Seems like a previously totalitarian government after having undergone a violent uprising and in the midst of a revolving door of ineffectual governments and constant rioting.

My travels take me many places, from the scorching sands to the cold, dark vacuum of space. But I always return to my friends and family at The Pub.

Decorative and understated.

They may conquer the world through trade and dynastic marriages, but rarely will they be aggressive.

4/10 (for using high-born women as chattel and for having ruthless traders double as ambassadors) 🤔
