I see that you are still Sing as Sing can get, if you know what I mean? Hehe, I am just kidding around, my friend! Very happy to see you and your friends again! As for the rest of you, I will let the respective Valentian do the honours! The Valentians, meet the Stanierians, if that is the proper term, of course. You are still a very generous man that I have the pleasure of knowing as a friend, so that is a definite pleasure and a positive from me! I wish you all the best and hey, don't let a sudden coup get to you! You'll never know who's out there!

Okay, I might be breaking your mind, I am so sorry about that! Either way, I am still very, very positive on you, of course! I really do love your role in Isekai Doki Doki! As for Dr. Mario, I am very jubilant that Mr. Sing surmounted you and turned Stanier to what it is today! I am very certain that under your rule, things would have turned a lot worse. The Vice President begins to animate

"Good day Captain-General. The Ultimate Supreme Leader and I are pleased with the manner in which we are moving, in terms of relations, with the Confederates in this 21st Century. By building a very long bridge made of wood. A wooden bridge as it were --that I invented-- which can connect our two nations... ***hot air continues to blow*** ...which the Ultimate Supreme Leader and I would warn against your white nationalism as..."

"Gah! You're so boring, Gore! Why can't you say anything interesting? Anyways, while I don't like your democratic, racist (as I prefer to oppress everyone regardless of race), mutualist programs, I can admit, you are quite brash and childish at times. I can admire that. Nishshishi. Maybe that's one of the few things we can relate on... Is Gore still talking?"

- **The Ultimate Supreme Leader: Kokichi Oma**

"...that Pickett would believe this wooden bridge would help us cross into a platform that leads to a future against ManBearPig. So long as this bridge, built with confidence by the Confederates..."
