Wait... brutally honest in what context?

Depends. I was kinda just referring to some of my posts in the "Smoking" thread.

But I'm not as brutally honest in real life, or even on here, with some subjects. I need to learn from my RP character{s}...Though they're both kind of an ass at times...

Psychedelic black metal? The music world keeps getting weirder. Next you're going to tell me there's post-rock infused with black metal!

Oh wait! That does exist!...
