7/10 looks like a Soviet breakway which keeps the Soviet aesthetic and those rarely end up well.

IC name does not include Gaia in it, it's just 'United Nations', NS stats are not canon and are not used.

10/10 The dark blue square in the corner of their flag does not line up with the stripes on their flag.

"We are all here, defending our independence, our country. And it will stay that way. Glory to the men and women defending us. Glory to Ukraine. Glory to the heroes."

- Volodymyr Zelensky

#StandWithUkraine! Stay informed!

Born out of unrest, North American destabilization, and civil war within the United States, the Free Republican Union is a rebirth of the American ideal and frame of mind through Republican principles and values. I don't use NS stats.

An alt-history version of an America that peacefully avoided the American Revolution and remained connected to Britain (Turtledove's "The Two Georges"), mixed with some of Sobel's "For Want of a Nail" and a lot of the anthology "Columbia and Britannia", the sci-fi NZ novel "Anno Domini 2000 or Woman's Destiny", and cameos of other alternate histories. "The Rock of the Britannic Commonwealth," an alliance of Britannic and former colonies as partner-nations in personal union and/or in association.

The soldier implies they have an aggressive foreign policy, but otherwise, their flag doesn't look so evil.
