Monkey 242 died for Allah. He took 241 with him.

Monkey 239 died whilst trying to stop this genocide of monkeys by people on the internet. He had failed to go to Australia and unplug the servers to this forum.

Monkey 238 read a great book called Jennifer Government. He then fell down the rabbit hole and read all of Max Barry's book. He became so enlightened that he turned into the next Buddha. He was then crucified by Xi Jinping and arose on the third day.... as a zombie. 238 was then shot to death by Monkey 237, but bit him just in time.

Monkey 237, fortunately, possessed a form of lactase that was able to break down the zombie virus. But he forgot his vaccines and got cut on a rusty nail from Xi Jinping's cross, afterwards getting obliterated by tetanus.

Monkey 235 went crazy and killed monkey 234 as well as some random monkey which looked suspiciously similar to Man from the Man thread. He then imploded from interacting with an interdimensional being.

Monkey 230 decided to set up a destiny bond with monkey 229 where if monkey 230 dies monkey 229 dies, but it does not apply the other way. If BN wants monkey 230 to live, they talk about monkey 229s death, however if BN wants 230 to die, they talk about 230s death.

BN wanted Monkey 230 to live, but Monkey 230's death was brought up thirty seconds later. Both Monkey 229 and 230 are now dead.

Monkey 253 was sucked into the game grid, where it learned it was terrible at light cycle battles.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

monkey 249 really hated balloons, so much that he became a master with crossbows just to pop them. Eventually though one balloon was too big and too strong for him to pop, the amount of anger that he felt for being unable to pop the balloon was so potent that it caused monkey 249 to implode, never to be seen again.
