I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

- Traditions are ideas that once, long ago, had merit, but have lost it. For society to have any meaningful progress, traditions are to be left in dust.
- Reaction is going in the direction opposite of progress. Have you heard of Order No. 227? "No one step back!"
