CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Gorillaz - *Empire Ants (ft. Little Dragon)*

Something about the vibe of this song captures the amount of stress and isolation I've been feeling for years.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

Humoresque No. 7 by Antonín Dvořák, arranged for theremin by Clara Rockmore

<https://www.youtube.com/watch?v=-dPtpOZYtCo>

"It is certainly true that I have observed the greater part of the length and breadth of Mawshire, its market towns and coal-enriched dales, only from the cursory vantage-point of a Hansom traversing it, for I fear to look any deeper; the beauty of its land, people and customs is best appreciated at first glance, lest any further contemplation thereof drive one down a path leading to utter spiritual and physical ruination. It is simply a country which one would do well not to contemplate for too long..."

- Edmond Holmfrith (1835-1881), Mawshire national poet, from his introduction to the 1879 anthology *The Silent Hour and Other Poems*
