Tame Impala - Because I'm A Man

Why the hell do I like this? It certainly isn't because I can hear the lyrics.

Yes, it is infused into the ELP songs at various points. It is a "Concept Album," which were popular with many bands in the early 1970s. Also, Russian myths such as Baba Yaga are layered in as well. BTW, it is a live album.

A live concept album. Interesting.

The Police - Fall Out

From: Non-album single (1977)  
Genre: Punk rock

I guess this is their more punk side...
