Forever Dark Woods, Bathory

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Don't have one. Barely know anything about it. I just use Spotify. Besides, this is a 'What are you listening to right now?' thread, not a 'What is everything you ever listen to?' thread

I see you listening to a lot of bands in the electronic realm. I know a few you might like, if you don't already know them.
