I'm gonna read this as a kind of Christian communism/communitarianism. Worshippers of the world unite! You have nothing to lose but the chains of sin! Man, I wish there was more popular attention on biblical verses as resources for anti-capitalist thought. The Hebrew Bible especially is pretty strong on wealth, greed, and power being bad and judgment being on those who "grind the faces of the poor." It's too bad, all too often overzealous Christians have collaborated with laissez-faire types instead of with economic justice types.
