Ashotwo. I am trying to save you from yourself. For some reason you have the intrinsic need to threadjack things, and make it about yourself. I'm not necessarily calling you a threadjacker, but well, you're kind of doing that right now, and that upsets some people. Please show courtesy, and allow the 'Man' thread to continue as it should, and not engage in a post battle. Because I am not the kind of person to care for such insignificant trivialities.

BN: Continue after this: To keep the thread relevant, man ignores whatever the Ashotwo plotline is, and ponders what to do with the plan given to him & Tiger man by God.

Okay. This is the last time I will try to keep the thread relevant. Ashotwo, you have a history of /stillme spam, and right now you're continuing to threadjack after I politely warned you that you shouldn't really do that, I know that I'm basically spamming at this point, since I'm filling out the thread, but I'm only doing so because I wish to help you realize that what you're doing is not in your best interest. Please, let the thread continue. If you want a thread about Ashotwo's adventures, simply make one, alright? That's all you have to do. In doing so, you would be allowing this thread to exist in peace, and your thread would be its own thing, yes? Does that make sense?

/skip, I'm not even filling in what the BN should do this time, as I don't even know. I am sorry for spamming, mods, but Ashotwo desperately needs a few reminders.

Man and Tiger Man enter... Inside the abandoned house, is the leader of Maxtopia, the legend himself, **Max. Barry.** Looks like they're progressing towards the end of the quest that God gave them.

Man orders Tiger Man to kill Kirmizistan, and apologies as he is mauled to death. Man then sighs, and ponders if he will ever be able to complete the quest to find Maxtopia.

Santa grabs a gun

**Alto è possibile, Entro i nostri limiti**

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
