Idylls of the King by The Mountain Goats.

This day... full of promise and potential.

Huge crows loitering by the curb/Our shared paths unraveling behind us like ribbons,
And I dreamed of vultures/In the trees around our house,
And cicadas and locusts/And the shrieking of innumerable gibbons.

How long will we ride this wave out? How long 'til someone caves under the pressure?

Your face like a vision straight out of Holly Hobby/Late light drizzling through your hair,
Your eyes twin volcanoes/Bad ideas dancing around in there.

Days like dominoes, all in a line

Emerge transformed in a million years, from days like these
