Some kind of country that brands itself as a Republic, but is politically dominated by a rich elite.

Whatever system works for foxes

This nation does not **entirely** express my views. But my sig does!

Pro: Capitalism, free market, Republicans, LGBTQ+ rights, religious rights, Separation of Church & State even though I'm Christian.

Against: Too much government regulations, homophobes, islamophobes, the type of liberals I have in my mind, people on all the extreme parts of the political compass, people that assume all Christians are homophobic and transphobic
