monkey 3757 was going to jump off Monkey Co. building. Then the plan landed. He was alive. Then a monkey poked him and since he had oil over him blew up.

Monkey 3753 was the innocent child marked for death in a literary work to symbolize purity in a corrupted world, and thus had to perish.

Monkey 3739 was a conspiracy theorist who wanted to prove that, due to HRM King Alastair IV the Beloved's debilitating alcoholism, Western Fardelshufflestein was *de facto* run by a triumvirate consisting of the Queen, his brother Prince Wilhelm, and *éminence grise* GRIGORI-RASPUTIN **KENNETH BRANAGH**. The next day, while he was attempting to stalk Branagh, two dark-suited men tackled him, dragged him off to a nearby alley, and quietly dispatched him.
