Sorry its in Spanish, I can translate the lyrics and provide the link in English, but I don't fee like it, and they will sing a few songs I like, But I hate all music videos, they include music songs that I might not like, or they change from time to time to other music videos that I might like or not like. There are a few Colombian groups that sing under the label Alquimia.

A Colombian group - Alquimia - Pa Gozar - To Enjoy.
