We are not a post-colonial African state, we are in space.

I wonder how much shit you had to put up with just to feel the need to clarify that.

A Ukrainian political organization that is hellbent on creating a fanatical fascist pan-Slavic Empire, to forge a new order of paganism, fatherland, and valor on the fragmented European continent. However, as the German Civil War drags on, and as the Orchesterstaat gains more power, and to the West, the Americans, now under a militaristic libertarian/radical centrist federation begin to clamp down on extremists worldwide, how shall we survive to accomplish our goals?

wow that is Long
