Boy Problems — Carly Rae Jepsen

☐ ...the production is...just...damn. If only the lyrics weren't so generic.

Yeah, I remember hearing good comments on the production. Like, people were really impressed with the production quality for a big pop artists pop album.

Carly Rae Jepsen - Boy Problems

Eh....The production does seem to be more interesting for a pop album but, I think as Anthony Fantano put it, the album is very "sugary" and that's not usually my thing...

Yeah, that's not really my thing either. Though in this case I can handle it a bit because it's not the typical "cookie-cutter" crap.

Carly Rae Jepsen - When I Needed You

6.5/10. Overall decent but there's two songs on here I can't stand, and the third half feels a bit lackluster and uninspired to me.

Is one of them the most popular single? Aka "I really really really really really like you" one? Because yeah, I was about to strangle myself to that one.

And eh, I need a break from Depeche Mode. Too much synthpop for now. I'll listen to the last album later.

For now, a soundtrack with 2 members of Sigur Ros doing a part of it

Georg Hólm, Orri Páll Dýrason, Hilmar Örn Hilmarsson & Kjartan Hólm - Ladies and Gentleman, Boys and Girls

Album: Circe Soundtrack

Genre: Post-Rock, Film Score

Year: 2015

My **Last.FM** and **RYM**

Georg Hólm, Orri Páll Dýrason, Hilmar Örn Hilmarsson & Kjartan Hólm - Lila

This ones kinda repetitive, but I like the feel of the track nonetheless.

I actually didn't mind that one too much. There was something about the melody that made me look past that awful hook. It was *Emotion* (**blech!!!**) and *Your Type*.

Hiatus Kaiyote - Shaolin Monk Motherfunk
Album: Choose Your Weapon (2015)
Genre: Neo-Soul, Alternative R&B

If liberty means anything at all, it means the right to tell people what they do not want to hear. - George Orwell

Breathing Underwater — Hiatus Kaiyote

This one reminds me of an Isley Brothers song (*For the Love of You* I think it's called).

Elton John - I'm Still Standing

From *Too Low for Zero* (1983)

*Don't you know I'm still standing better than I ever did?
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind*

*I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah*

Male, 23, Indonesian

Foo Fighters - Something from Nothing

From *Sonic Highways* (2014)

*I threw it all away because
I had to be what never was
Been so hungry I could lie
Took my word, I took your wine*

*And held you in my bloody hands
These rattled bones and rubber bands
Washed them in the muddy water
Looking for a dime and found a quarter*

*But you can't make me change my name
They'll never make me change my name
Pay no mind now ain't that's something
Fuck it all I came from nothing*

*I'm something from nothing
You are my fuse
I'm something from nothing
You are my fuse*

*It goes oh, oh, oh
Oh, oh, oh
Oh, oh, oh
It goes oh, oh, oh
All rise*
